It is an identity check only and will therefore have no adverse effect on the Customer or the relevant person's credit rating.
- 5.5. In addition, Pleo may run credit checks on the Customer from time to time. These credit checks will not, however, affect the Customer's credit score

The Wallet may only be loaded via channels and accounts that Pleo approves.
- 6.3. Spending limits may apply to the Card, any other Payment Service and the Wallet.
- 6.4. If applicable, the Customer may activate automatic Wallet load (Auto Top-Up) by creating a Linked Account and establishing a Direct Debit Mandate, or similar, entitling Pleo to withdraw funds from the Linked Account when the Available Funds in the Customer's Wallet fall below a Customer set threshold. The amount of the automatic Direct Debit, or similar, transfer is set by the Customer when activating Auto Top-Up and may be changed at any time by the Customer. Limits for automatic transfers may apply.
- 6.5. At Pleo's sole discretion Pleo may choose to grant to the Customer an authorised negative balance in the Wallet, which will allow a set threshold of permissible negative balance in the Wallet when a Direct Debit transfer has been triggered and until the funds arrive in the Wallet. The limit offered to the Customer by Pleo will be presented via the Online Platform. The Customer's activation of Auto Top-Up including creating a Linked Account and establishing a Direct Debit Mandate, or similar, is a de minimis prerequisite for authorized negative balance.
- 6.6. An authorized negative balance may not be used by the Customer for ATM withdrawals and cannot be redeemed by the Customer.
- 6.7. Pleo will determine an authorised negative balance limit, which may be adjusted at Pleo's sole discretion at any point and without prior notice to the Customer or the Cardholders. Pleo may restrict or cancel the Wallet and the Cards without prior notice if Pleo deems that there has been a significant increase in the risk that the Customer may be unable to satisfy the current or future payment obligations. In such cases Pleo will advise the Customer without unnecessary delay after such a decision has been made.
- 6.8. If for any reason, there are no funds available on the Linked Account or the Direct Debit transfer, or similar, is recalled, or the mandate is terminated by the Customer without Pleo's consent, Pleo reserves the right to terminate the Agreement. The Customer agrees and acknowledges to pay all outstanding amounts to Pleo incurred by the Wallet balance going into negative for any reason whatsoever except during a shorter period in which the Customer by Pleo has been granted an authorized negative balance.
- 6.9. The Customer further agrees to pay all relevant penalties as well as costs, including interest and legal or collection fees as permitted by the law, that Pleo may incur while collecting amounts owned by the Customer under this Agreement. For the purposes of collections of amounts owed, Pleo may further authorise third-parties to pursue collections of amounts owed under this Agreement.

7. CARD ISSUANCE

- 7.1. This Agreement between the Customer and Pleo governs the possession and use of the

Card. By allowing a Cardholder to use or activate the Card the Customer accepts the Agreement.

- 7.2. Cards are issued by Pleo Financial Services A/S pursuant to a licence from Mastercard International Incorporated. At all times the Card remains the property of Pleo Financial Services A/S. Pleo Financial Services A/S is the payment services provider and e-money issuer for the purposes of the Agreement.

The physical card (if not a virtual Card and only if enabled) may be permitted to make cash withdrawals from ATMs and banks that agree to provide this service. Like any payment card, Pleo cannot guarantee that a particular retailer will accept the Card. Cardholders should check with the retailer before attempting the transaction if unsure. The Cardholder will not be able to use the Card to make any purchases from some retailers; such retailers have been blocked by Pleo's systems in order to prevent the potential use of cards for unauthorised or unlawful activity.
- 8.2. The Card is a financial product, regulated by the Danish Financial Supervisory Authority ("Finanstilsynet"), Denmark. It is a commercial card, and is not directly linked to the Customer's bank account. The Customer must ensure that the Customer has sufficient Available Funds in order for the Cardholder to pay for each purchase, payment or cash withdrawal using the Card. The Card is intended for use as a means of payment, and funds loaded onto the Wallet do not constitute a deposit. The Customer will not earn interest on the balance of the Wallet. The Card will expire on the Expiry Date and will cease to work. Please refer to clause 13. of this Agreement for further information.
- 8.3. When the Cardholder receives a physical Card, it will be issued in an inactive state. The Cardholder will need to activate it by logging onto the Pleo App and then follow the activation request for the Card prior to use.
- 8.4. A virtual Card can be used immediately after it is generated and does not need to be activated.

9. IDENTIFICATION REQUIRED FOR PURCHASE OF CARDS

- 9.1. The Card is a payment services product, and Pleo is therefore required by law to hold certain information about Pleo's customers. Pleo uses this information to administer the Card, and to help Pleo identify the Customer and the Card in the event that it is lost or stolen. Pleo only keeps this information as long as is necessary and for the purposes described. Please see clause 31. for more information.
- 9.2. Where permitted, the Customer may request additional Cardholders. The Customer authorises Pleo to issue Cards and PINs to the additional Cardholders and the Customer authorises each additional Cardholder to authorise transactions on the Customer's behalf. The Customer remains responsible for any fees, transactions, use or misuse of any Card requested by the Customer. If the Customer fails to comply with any provisions of the Agreement as a result of any act or omission by a Cardholder, the Customer will be liable for any losses Pleo sustains as a result.
- 9.3. The Agreement also applies to any additional Cards and Cardholders that the Customer has

arranged. The Customer must communicate terms of this Agreement to any additional Cardholders before they start using the Card. The Customer must also provide to Pleo on request any details of any Cardholders and proof of any Cardholder's authority to act on the Customer's behalf.

10. HOW TO USE THE CARD

- 10.1. A Card may only be used by the Cardholder. If a physical Card, prior to use, the Card should be signed on the signature strip located on the back of the Card by the Cardholder.
- 10.2. Pleo will be entitled to assume that a transaction has been authorised by the Customer, or a Cardholder acting on the Customer's behalf, and the Customer has therefore given consent to a transaction where either:
 - 10.2.1. In the case of a physical Card:
 - 10.2.1.1. the magnetic strip on the Card was swiped by the retailer or the Card was inserted into a chip & PIN device;

- 10.3. Pleo receives notification of the authorisation by way of an electronic message in line with the rules and procedures of the payment scheme (Mastercard network). Once a transaction has been authorised, the transaction cannot be stopped or revoked. However, the Customer may in certain circumstances be entitled to a refund in accordance with clauses 17. and 18.
- 10.4. On receipt of notification of the authorisation of a transaction and the transaction payment order, Pleo deducts the value of the transaction, plus any applicable fees and charges, from the Available Funds.
- 10.5. If any payment is attempted that exceeds the Available Funds, the transaction will be declined. In certain circumstances, a transaction may take the Available Funds into a negative balance. In most instances this will occur when the retailer has failed to seek authorisation for the transaction. In these cases, Pleo will attempt to recover some or all of the money from the retailer if possible, providing that Pleo is satisfied that the Customer or the Cardholder have not deliberately used the Card in any manner that would result in a negative balance Pleo will deal with such instances on a case- by-case basis, but where there is a negative balance in the Wallet, Pleo may require the Customer to make up the shortfall and, until there are Available Funds, Pleo may restrict or suspend the use of the Cards.
- 10.6. If the Card is used for a transaction in a currency other than the currency that the Card is denominated in, the transaction will be converted to the currency that the Card is denominated in by the Mastercard scheme network at a rate set by Mastercard International

Incorporated, please refer to [Mastercard's currency converter](#). The exchange rate varies throughout the day and is not set by Pleo, therefore Pleo is not responsible for and cannot guarantee the Customer will receive a favourable exchange rate. Changes in the exchange rates may be applied immediately and without notice. The Customer can ask Pleo for information about the exchange rate used after the transaction has been completed by contacting Customer Services in accordance with clause 29. The Customer will also be notified of any applicable exchange rate for each transaction in the Online Platform, which is updated daily, where the exchange was performed by Pleo.

- 10.7. Pleo will apply reasonable technical and organizational measures be able to support transactions 24 hours per day, 365 days per year. - 11.3. The Card may not be used for gambling or illegal purposes. Furthermore, certain types of transactions may be blocked.
- 11.4. Spending limits may apply to the Card.
- 11.5. Any pre-authorisation amount (such as a hotel booking or car hire) will place a “hold” on the Available Funds until the retailer sends Pleo the final payment amount of the purchase. Once the final payment amount is received, the pre-authorisation amount on hold will be removed. It may take up to 30 days for the hold to be removed. During the hold period, the Customer and the Cardholders will not have access to the pre-authorised amount.

12. MANAGING THE CARDS

- 12.1. - 18.1. If the Customer believes the Customer or the Cardholder did not authorise a particular transaction or that a transaction was incorrectly carried out, in order to get a refund the Customer or the Cardholder must contact Customer Services without undue delay - as soon as the Customer or the Cardholder notice the problem, and in any case no later than 13 months after the amount of the transaction has been deducted from the Available Funds. Pleo will as soon as practicable, and in any event no later than the end of the Business Day following the day on which Pleo becomes aware of the unauthorised transaction, refund any unauthorised transaction and any associated transaction fees and charges payable under this Agreement subject to the rest of this clause 18., except in cases where Pleo have a reasonable suspicion that the Customer or the Cardholder have acted fraudulently, in which case Pleo will conduct an investigation as quickly as possible and notify the Customer of the outcome. If the investigation shows that the transaction was indeed unauthorised, Pleo will refund the Customer as set out above in this clause 18.1.
- 18.2. If a transaction initiated by a retailer (for example, this happens when the Cardholder uses the Card in a shop) has been incorrectly executed and Pleo receives proof from the retailer's payment service provider that Pleo is liable for the incorrectly executed transaction, Pleo will refund as appropriate and immediately the transaction and any associated transaction fees and charges payable under this Agreement.

Pleo is not liable for any incorrectly executed transactions if Pleo can show that the payment was actually received by the retailer's payment service provider, in which case they will be liable.

If a transaction initiated by the Customer or the Cardholder has been incorrectly executed, Pleo will refund without undue delay the transaction and any associated transaction fees and charges payable under this Agreement except where any payment instructions the Customer or the Cardholder gave Pleo were incorrect, in which case Pleo will make reasonable efforts to recover the funds but may charge the Customer a reasonable fee to cover Pleo's administration costs, of which Pleo will notify the Customer in advance.

Pleo executes transactions in accordance with the transaction detail received. Where the detail provided to Pleo is incorrect, Pleo will not be liable for incorrectly executing the transaction, but Pleo will make reasonable efforts to recover the funds involved. In such a case Pleo may charge the Customer a reasonable fee to cover the administration costs, of which Pleo will notify the Customer in advance.

18.3. If the Customer or the Cardholder initiates a payment to someone in the EEA and it is received by them later than this Agreement stipulates, the Customer can notify Pleo so that Pleo can ask the recipient's payment service provider to correct the amount of any fees and charges on the account of the recipient (so that it is as if they received the payment on time and are not at a loss).

If the Customer or the Cardholder receives a late payment from another payment service provider (e.g. a refund from a retailer's bank) via Pleo, Pleo will credit the Customer's account with the relevant amount of any associated fees and charges so that the Customer will not be at a loss.

18.4. Subject to the rest of this clause 18., Pleo will limit the Customer's liability to 35EUR/35GPB for any losses incurred in respect of unauthorised transactions arising from the use of a lost or stolen Card, or the misappropriation of the Card's details, except where:

18.4.1. the loss, theft or misappropriation of the Card was not detectable by the Customer before the unauthorised transaction took place (unless the Customer or the Cardholder acted fraudulently, in which case the Customer is liable for all losses incurred in respect of the unauthorised transaction), or

18.4.2. the loss was caused by acts or omissions of one of Pleo's employees or agents, in which case the Customer is not liable for any losses.

18.5. The Customer will be liable for all losses incurred in respect of an unauthorised transaction if the Customer:

18.5.1. Has acted fraudulently; or

18.5.2. Have intentionally or with gross negligence failed to:

18.5.2.1. look after and use the Card in accordance with the Agreement; or

18.5.2.2. notify Pleo of the problem in accordance with this Agreement.

18.6. Except where the Customer or the Cardholder have acted fraudulently, the Customer will not be liable for any losses incurred in respect of an unauthorised transaction:

18.6.1. which arise after the Customer's notification to Pleo;

18.6.2. where the Card has been used in connection with a distance contract, for example, for an online purchase;

18.6.3. where Pleo has failed to provide the Customer with the appropriate means of notification, as found in clause 29.1.

18.7. Depending on the circumstances, Customer Services may require the Customer to complete a dispute declaration form. Pleo may conduct an investigation either before or after any refund has been made. Pleo will let the Customer know as soon as possible the outcome of any such investigation. If Pleo's investigations show that any disputed transaction was authorised by the Customer or the Cardholder, or the Customer or the Cardholder may have acted fraudulently or with gross negligence, Pleo may reverse any refund made and the Customer will be liable for all losses Pleo suffers in connection with the transaction including but not limited to the cost of any investigation carried out by Pleo in relation to the transaction. Pleo will give the Customer reasonable notice of any reverse refund.

18.8. In certain circumstances, a transaction will be initiated but not fully completed. Where this happens, this may result in the value of the transaction being deducted from the Available Funds and therefore unavailable for use. Pleo refers to this as a "hanging authorisation" or

“block”. In these cases, the Customer will need to contact Customer Service in accordance with clause 29. and present relevant evidence to show that the transaction has been cancelled or reversed.

- 18.9. In certain circumstances, Pleo may without notice refuse to complete a transaction that the Customer or the Cardholder have authorised. These circumstances include:
- 18.9.1. if Pleo has reasonable concerns about the security of the Card or Pleo suspects the Card is being used in a fraudulent or unauthorised manner;
 - 18.9.2. if there are not sufficient Available Funds to cover the transaction and all associated fees at the time that Pleo receives notification of the transaction;
 - 18.9.3. if there is an outstanding shortfall on the Available Funds;
 - 18.9.4. if Pleo has reasonable grounds to believe the Customer or the Cardholder are acting in breach of this Agreement;
 - 18.9.5. if there are errors, failures (mechanical or otherwise) or refusals by retailers, payment processors or payment schemes processing transactions; or
 - 18.9.6. if Pleo is required to do so by law.
- 18.10. Unless it would be unlawful for Pleo to do so, where Pleo refuses to complete a transaction for the Customer or the Cardholder in accordance with clause 18.9. above, Pleo will notify the Customer as soon as reasonably practicable of the refusal and the reasons for the refusal, together, where relevant, with the procedure for correcting any factual errors that led to the refusal.
- 18.11. Pleo may suspend the Card, in which case the Cardholder will not be able to use it for any transactions, if Pleo has reasonable concerns about the security of the Card or suspects the Card is being used in a fraudulent or unauthorised manner. Pleo will notify the Customer of any such suspension in advance, or immediately after if this is not possible, and of the reasons for the suspension unless to do so would compromise reasonable security measures or otherwise be unlawful. Pleo will lift the suspension and, where appropriate, issue a new Card free of charge as soon as practicable once the reasons for the suspension cease to exist. The Customer may also contact Customer Services in accordance with clause 29. to arrange for a suspension to be lifted if appropriate.
- 18.12. This clause 18.12. applies when the Customer and the Cardholder use AISP or PISP services. Pleo may deny an AISP or PISP access to the Wallet connected to the Card for reasonably justified and duly evidenced reasons relating to unauthorised or fraudulent access to the account by that AISP or PISP, including the unauthorised or fraudulent initiation of a transaction. If Pleo does deny access in this way, Pleo will notify the Customer of the denial and the reason for the denial in advance if possible, or immediately after the denial of access, unless to do so would compromise reasonably justified security reasons or is unlawful. Pleo will allow AISP or PISP access to the Customer’s account once the reasons for denying access no longer apply.
- 18.13. The Customer may claim a refund for a transaction that the Customer authorised provided that:
- 18.13.1. the authorisation did not specify the exact amount when the Customer or the Cardholder consented to the transaction; and
 - 18.13.2. the amount of the transaction exceeded the amount that the Customer or the Cardholder could reasonably have expected it to be taking into account the previous spending pattern on the Card, the Agreement and the relevant circumstances.

Such a refund must be requested from Customer Services team within 8 weeks of the amount being deducted from the Card. Pleo may require the Customer to provide evidence to substantiate the claim. Any refund shall be equal to the amount of the transaction. Any such refund will not be subject to any fee.
